

All the paragraphs in this test should be left justified and all the signatures should end up ragged-left.

The undersigned,
John Hancock

A line of stuff in a paragraph that wraps on the page following the one it

started on.
The undersigned,
John Hancock

The problem with hfills on the next page doesn't repro if you try to do it on this page.

A line of stuff in a paragraph that wraps not just one but two lines on the

page following the one it started on.

The undersigned,

John Hancock
